Last Modified on 05/25/2022 11:30 am EDT

For some added fun, we've put together a scavenger hunt that you can do solo or with your friends! Just create a Space using either of our Islands templates (day or nighttime!). This is a great activity for introducing new people to Gather.

Overview

- **Setup:** The Islands templates are only available in the Experiences section at <https://app.gather.town/create>, so you must create a new Space to enjoy them.
- **Participation Difficulty:** □ (Easy)
- **Players:** 1-25 (Up to 25 people can be in the Space for free)
- **Emcee:** Not needed
- **Average Time:** 15-30 minutes

Here's a few items to be on the look out for!

1. A starfish (there's only 1!)
2. A sand castle
3. 2 cups of shaved ice
4. A message in a bottle
5. 3 angel statues
6. A fish
7. A tree that's not a palm tree
