

# Custom Avatars

Last Modified on 11/01/2021 12:41 pm EDT

We currently offer an almost indefinite selection of customizations for avatars at your disposal. Unfortunately, Gather does not support self-made or customized avatars at this time due to how avatars are stored and retrieved. This is a feature we would like to implement in the future; however, it is currently on our list of longer term goals.

You can upvote this request or add a comment with details about what you're looking for on the [Custom Avatars](#) thread at <https://feedback.gather.town>.
